Mr. William E. Lacure
Senior Environmental Control
Analyst
Timken Company
1835 Dueber Avenue (GNE-2)
Canton, Ohio 44706

Dear Mr. Lacure:

On October 28, 1991, a representative of the United States Environmental Protection Agency (U.S. EPA), visited Timken's Harrison Steel Plant for the purpose of inspecting the Spill Prevention, Control and Countermeasure (SPCC) Plan for the facility. Although you were able to produce a Certified and updated Plan, 40 CFR 112.5(c) of the Code of Federal Regulations states "No amendment to an SPCC Plan shall be effective to satisfy the requirements of this section unless it has been certified by a Professional Engineer." Your Plan had been revised twice since December 8, 1982, but it has never been recertified.

Please forward a recertified Plan to me at U.S. EPA, HSE-5J/ESS-SPCC, 77 West Jackson Boulevard, Chicago, Illinois, 60604. If we do not receive a certified SPCC Plan by April 24, 1992, additional enforcement action may be taken. If you have any questions concerning this matter, please feel free to contact me at (312) 353-8200.

Sincerely,

Pamela J. Schafer, Chief
Emergency Support Section
